

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

DATE: MAY 9 1984

SUBJECT: Dioxin Study Questionnaire Responses

FROM: *Larry Wright*
Larry D. Wright, Chief
Superfund Enforcement Section, 6AW-SE

TO: David Parrish
Environmental Services Division, 6ES-SA

Attached please find four responses to the National Dioxin Study questionnaires we mailed out on April 16, 1984. Responses have been received from:

C. J. Martin Company (Tier 3)
CSA, Limited (Tier 3)
Chemall, Incorporated (Tier 6)
Vertac Chemical Corporation (Tier 6)

In addition, the questionnaire addressed to Research Products Company was returned indicating the forwarding order had expired. Two companies bearing the name Research Products have been contacted, but neither claims to be the correct party. We will continue to follow up.

Please contact me or Larry Champagne if you have any questions.
